NORTH KERN WATER STORAGE DISTRICT

February 20, 2024

NOTICE

All Landowners and Water Users

<h2>2024 WATER TOLLS</h2>

Effective March 1, 2024 the District's water toll rates will be:

\$100.⁰⁰ PER ACRE-FOOT

for both Class 1 and Class 2 lands

This rate will remain in effect until further notice. The water tolls reflect the current snowpack in the Kern River watershed and the forecasted April–July runoff which is roughly between 89% to 112% of average. Our regional climate can be highly variable and the Board of Directors may make future adjustments to the water toll as necessary based on watershed hydrologic conditions and snowmelt runoff.

Please note that all water orders should be made 48-hours in advance.

If you have any questions, please contact the District.

Sincerely,

A handwritten signature in blue ink, appearing to read 'D Hampton', with a long horizontal flourish extending to the right.

David Hampton
General Manager
