N/A - direct meeting with impacted stakeholder(s)
Westside District Water Authority GSA	9/13/2023	State Water Contractors staff tour of WDWA GSA, discussion of non-GSA subsidence impacts to the CA Aqueduct and potential SGMA probationary impacts Kern Fan surface water banking projects.	N/A - direct meeting with impacted stakeholder(s)
Westside District Water Authority GSA	9/19/2023	Meeting with DWR Sustainable Groundwater Management Office and State Water Project staff regarding potential SGMA probationary impacts on Kern Fan surface water banking projects/SWP operations and subbasin-wide benefits provided by Kern Fan surface water banking projects.	N/A - direct meeting with impacted stakeholder(s)
Westside District Water Authority GSA	9/25/2023	Meeting with DWR Sustainable Groundwater Management Office and State Water Project staff regarding potential SGMA probationary impacts on Kern Fan surface water banking projects/SWP operations and subbasin-wide benefits provided by Kern Fan surface water banking projects.	N/A - direct meeting with impacted stakeholder(s)
Westside District Water Authority GSA	10/16/2023	Meeting with DWR Sustainable Groundwater Management Office and State Water Project staff regarding potential SGMA probationary impacts on Kern Fan surface water banking projects/SWP operations and subbasin-wide benefits provided by Kern Fan surface water banking projects.	N/A - direct meeting with impacted stakeholder(s)

GSA/Management Area	Stakeholder Meeting Date	Meeting/Outreach Description	URL
Westside District Water Authority GSA	12/19/2023	WDWA GSA meeting with California Aqueduct Subsidence Program regarding non-GSA causes of subsidence along the CA Aqueduct and presentation of groundwater extraction well location data to demonstrate lack of pumping WDWA GSA demand along Mileposts 195-215 of the CA Aqueduct.	N/A - direct meeting with impacted stakeholder(s)
Westside District Water Authority GSA	1/26/2024	Tour of WDWA GSA and the Kern Fan surface water banking facilities with California Natural Resources Agency staff and discussion of SGMA impacts on surface water banking projects and non-GSA related subsidence along Mileposts 195-215 of the CA Aqueduct.	N/A - direct meeting with impacted stakeholder(s)
Westside District Water Authority GSA	2/16/2024	WDWA GSA meeting with Western States Petroleum Association staff regarding WDWA GSA GSP development.	N/A - direct meeting with impacted stakeholder(s)
Westside District Water Authority GSA	2/21/2024	Email to Western States Petroleum Association staff regarding WDWA GSA adoption of subsidence management actions (net-zero well drilling moratorium within proximity to critical infrastructure, well extraction volume reporting within proximity to critical infrastructure, and mandatory well registration).	N/A - email correspondence with impacted stakeholder(s)
Westside District Water Authority GSA	2/22/2024	Email correspondence with DWR California Aqueduct Subsidence Program/SGMO/State Water Project staff notifying the department of WDWA GSA's written request to the SWRCB to be excluded from potential SGMA probationary status.	N/A - email correspondence with impacted stakeholder(s)
Westside District Water Authority GSA	2/23/2024	Meeting with DWR Sustainable Groundwater Management Office and State Water Project staff regarding potential SGMA probationary impacts on Kern Fan surface water banking projects/SWP operations and subbasin-wide benefits provided by Kern Fan surface water banking operations.	N/A - direct meeting with impacted stakeholder(s)
Westside District Water Authority GSA	2/26/2024	Email correspondence with Western States Petroleum Association staff regarding subsidence and WDWA GSA's written request to the SWRCB to be excluded from any potential probationary status.	N/A - email correspondence with impacted stakeholder(s)
Westside District Water Authority GSA	2/29/2024	Meeting with DWR CASP/SWP staff to review WDWA GSA's subsidence management actions and request feedback for revisions from the Department.	N/A - direct meeting with impacted stakeholder(s)
Westside District Water Authority GSA	3/5/2024	Discussion with Kern Water Collaborative (Kern Subbasin CV-SALTS Nitrate Control Program) management zone regarding collaboration between Kern County Subbasin and CV-SALTS.	N/A - direct meeting with impacted stakeholder(s)
Westside District Water Authority GSA	3/19/2024	Email correspondence with CASP regarding feedback on WDWA GSA's subsidence management actions	N/A - email correspondence with impacted stakeholder(s)
Westside District Water Authority GSA	4/3/2024	Meeting with DWR State Water Project staff regarding non-GSA causes of subsidence along the CA Aqueduct and potential SGMA impacts to the Kern Fan surface water banking projects.	N/A - direct meeting with impacted stakeholder(s)
Westside District Water Authority GSA	4/4/2024	Follow-up meeting with SWRCB fee branch/SGMA staff regarding WDWA GSA's comment letter requesting exclusion of the Kern Fan Banking Projects from SGMA probationary fees	N/A - direct meeting with impacted stakeholder(s)
Westside District Water Authority GSA	4/4/2024	Meeting with DWR SWP and CASP staff to discuss CA Aqueduct subsidence rate and extent of non-GSA causes and revised GSP development update.	N/A - direct meeting with impacted stakeholder(s)
